Important consideration when deciding to participate in Egg-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for egg-safe (ES) meal preparation. To minimize the chance for cross-contamination, the ES items that are available for pre-order, are prepared by trained staff with, as per the manufacturer's label, egg-safe ingredients. Pomptonian works with manufacturers with Good Manufacturing Practices; however, foods may be produced in a facility containing known allergens.

Cut at this line and keep the above menu portion for your reference.

Please submit lunch forms promptly. Late submissions may not be properly recorded.
